**The Akhal-Teke Stallion 1185 DŽASMAN
bay, born 1994 in Dagestan**

1185 Džasman was born in Dagestan and belongs to the **Gelishikli line**. In his pedigree is very close inbreeding to the stallion **870 Garem** (II x II). The father of Džasman was the gold buckskin stallion **1115 Jasman 9**. Jasman was one of the best horses from Vladimir Shamborant Stud-farm. Jasman dies early and left after himself only one year-class and only two stallions – Džasman and his brother Jaz-Jar. As the breeding stallion is 1185 Džasman available to the European breeders. Džasman was classified as the Elite II.
